

Salem Public Schools Elementary School Field Trip Menu

2009-2010

Your child can still get school lunch when attending a class field trip. Simply complete the form below, and return it to your child's classroom teacher (with payment if applicable). Your child's lunch will be ready to go before the class leaves.

The cost of the lunch is the same as the cost of school lunch:

- If your child qualifies for free lunch, then the field trip lunch is free.
- If you child qualifies for reduced price meals, then the field trip lunch is .40.

- All adult meals are \$3.75, including meals tax.

Please return this form 2 weeks before the scheduled field trip. Lunches ordered less than 2 weeks of the field trip will receive cook's choice, though every attempt will be made to satisfy the menu choice.
