

Bates Elementary Parent Math Night

Tuesday October 10, 2017

5-7pm

- Come and find out more about how your child is learning math.
- Get answers to questions such as:
 - *What is a number bond?*
 - *Why is my child learning several different ways to multiply?*
 - *What are base ten blocks?*
- Childcare will be available so that parents can attend classroom information sessions on their own.
- Stay tuned for more information!
