

Two Examples Showing How the Student Assignment Policy Works

Example A: Sibling Preference	Example B: Batch 1, Non-Low Income
<p>About the Student</p> <ul style="list-style-type: none"> ● 5 years old by 8/31 ● Lives in a low-income household ● Has sibling attending Bates Elementary ● Lives 2.5 miles from Bates Elementary <p>School Choices Identified on Application</p> <ul style="list-style-type: none"> ● 1st Choice: Bates Elementary ● 2nd Choice: Witchcraft Heights ● 3rd Choice: Carlton Innovation School <p>Enrollment Target for Bates Elem (example only)</p> <ul style="list-style-type: none"> ● 50% Low-Income/50% non-low income <p>Total # of Seats Available at Bates (example only)</p> <ul style="list-style-type: none"> ● Total of 50 Kindergarten Seats available ● Based on enrollment targets, 25 will be designated for low-income families and 25 will be designated for non-low income <p>Application Timing</p> <ul style="list-style-type: none"> ● Complete application submitted by Feb 18th <p>Other Information</p> <ul style="list-style-type: none"> ● 5 additional applicants are low-income and met the sibling preference deadline 	<p>About the Student</p> <ul style="list-style-type: none"> ● 5 years old by 8/31 ● Lives in a non-low income household ● Lives 1.2 miles from Saltonstall K-8 School <p>School Choices Identified on Application</p> <ul style="list-style-type: none"> ● 1st Choice: Saltonstall ● 2nd Choice: Carlton Innovation School ● 3rd Choice: Horace Mann Laboratory School <p>Enrollment Target for Saltonstall (example only)</p> <ul style="list-style-type: none"> ● 60% Low-Income/40% non-low income <p>Total # of Seats Available at Saltonstall (example only)</p> <ul style="list-style-type: none"> ● Total of 42 Kindergarten Seats available ● Based on enrollment targets, 25 will be designated for low-income families and 17 will be designated for non-low income ● A total of 3 non-low income students were assigned based on sibling preference, leaving 14 remaining seats for non-low income applicants <p>Application Timing</p> <ul style="list-style-type: none"> ● Complete application submitted by March 1st <p>Other Information</p> <ul style="list-style-type: none"> ● 20 other applicants are non-low income. Of these 10 live closer to Saltonstall than Example B
<p>Student Assignment Process for this Student</p> <ul style="list-style-type: none"> ● All applicants are first reviewed based on their first choice (Bates is this student's first choice) ● The applicant meets the Feb 20th deadline to exercise the sibling preference priority ● The applicant qualifies for low-income status ● The 6 applicants (Example A plus 5 additional) who are low-income would be sorted by proximity to the school, and processed in that order ● Since fewer than 25 low-income applicants seeking the sibling preference priority, then all would be assigned to the Bates. ● This would leave 19 seats available for other low-income applicants 	<p>Student Assignment Process for this Student</p> <ul style="list-style-type: none"> ● All applicants are first reviewed based on their first choice (Saltonstall is this student's first choice) ● The applicant meets the March 1st deadline to be included in the Batch 1 assignments ● The applicant does not qualify for low-income status ● The 20 applicants who are non-low income would be sorted by proximity to the school, and processed in that order ● 14 of the 20 applicants would receive an assignment to Saltonstall, including Example B (since this applicant would be ranked #11 based on proximity to the school). ● The remaining 6 applicants would be placed on a waiting list for Saltonstall and similar criteria would be used to process their applications based on their 2nd choice schools.
